#### FOR YOU AND YOUR WIFE

A cheerful, pretty bedroom will help you to start your day in a cheerful pleasant mood. Its a haven of rest for you to come back to at night. And all day long it is a pleasure to your wife. .

To make a pretty bedroom it is more important to have tasteful furniture that harmonizes, than furniture that merely costs a lot. A brass bed, or a pretty white iron bed if you prefer, bureau and chiffonier of light color (birdseye maple is especially pretty) a low rocking chair and one or two straight back chairs to match, a mirror five foot high screwed on to a closet door, a sofa upholstered 'n cretonne, a shirtwaist box covered with the same, and the cretonne repeated in hangings at the window over white musling curtains, a light colored rug on the floor,—all this does not cost very much, if you buy from us, and makes a pretty room. Come in and talk it over.

Don't forget to get a STEARNS & FOSTER mattress. That is what makes your bedroom a haven of rest. No other mattress is so comfortable.

Made in four grades of superiority; \$10.50 to \$22.50. Windsor Grade at \$13.50 is guaranteed superior to any other advertised mattress. We sell it on 60 nights' trial. If you can part with it at the end of that time we will
